(2) If, in accordance with paragraph (1) or (5), a contractor is to be regarded as a health service body, that fact shall not affect the nature of, or any rights or liabilities arising under, any other contract with a health service body entered into by that contractor before the date on which the contractor is to be so regarded.

(3) Where a contract is made with an individual dental practitioner or two or more persons practising in partnership, and that individual or that partnership is to be regarded as a health service body in accordance with paragraph (1) or (5), the contractor shall, subject to paragraph (4), continue to be regarded as a health service body for the purposes of section 4 of the 1990 Act for as long as that contract continues and irrespective of any change in—

(b) paragraph (5), it shall, if it or the Primary Care Trust has referred any matter to the NHS dispute
resolution procedure before it ceases to be a health service body, be bound by the determination of
the adjudicator as if the dispute had been referred pursuant to paragraph 54 of Schedule 3 (dispute
resolution: non-NHS contracts); or

(4) Subject to paragraphs 5(4) and (5), the contractor shall provide the orthodontic services which are detailed in the orthodontic treatment plan provided pursuant to sub-paragraph (1) or, where the orthodontic treatment plan is revised, pursuant to the revised orthodontic treatment plan.

Completion of orthodontic courses of treatment

8.—(1) The contractor shall indicate on the form supplied to the Primary Care Trust pursuant to paragraph 38 of Schedule 3 (notification of a course of treatment) whether or not the orthodontic course of treatment was completed.

(2) If the Primary Care Trust requests in writing that the contractor provides reasons for the failure to complete one or more orthodontic courses of treatment, the contractor shall, within such period as the Primary Care Trust may specify, provide the reasons for that failure.

(3) If the Primary Care Trust—

(a) determines that the number of orthodontic courses of treatment provided by the contractor which have not been completed is excessive; and

(b) where a treatment plan is not required pursuant to that paragraph, the initial examination and assessment of the patient took place.

(3) Where a contractor provides urgent treatment to a patient, the urgent treatment provided shall constitute a course of treatment and no other services shall be provided during that course of treatment.

(4) If a course of treatment is—

(a) terminated before it has been completed; or
(b) otherwise not completed within a reasonable time,

any further services to be provided to that patient under the contract must be provided as a new course of treatment.

(5) A course of treatment may only be terminated by—

(i) when the circumstances referred to in paragraph 3(1) of this Schedule (violent patients) occur and notice that it will no longer provide services has been given to the Primary Care Trust;

(ii) where the patient has refused to pay a charge in the circumstances referred to in paragraph 4 of this Schedule (refusal to pay NHS Charges during treatment); or

(2) If the patient, having considered the treatment plan provided pursuant to sub-paragraph (1), decides to accept the provision of private services in place of all or part of services under the contract, the contractor shall ensure that the patient signs the treatment plan in the appropriate place to indicate that he has understood the nature of private services to be provided and his acceptance of those services.

(3) Where the services included in the treatment plan under this paragraph need to be varied, the contractor shall provide the patient with a revised treatment plan in accordance with sub-paragraph (1).

(4) Subject to paragraph 6(5), the contractor shall provide the services which are detailed in the treatment plan, or where the treatment plan is revised, the revised treatment plan.

8. — (1) The contractor shall indicate on the form supplied by the Primary Care Trust pursuant to paragraph 38 whether the course of treatment was completed, and if the course of treatment was not completed, provide the reason for the failure to complete the course of treatment.

(2) If the Primary Care Trust—

(a) determines that the number of courses of treatment provided by the contractor which have not been completed is excessive; and

(b) does not consider that the reasons given by the contractor for the failure to complete the courses of treatment are satisfactory,

it shall be entitled to exercise its powers under paragraph 59(2) on the grounds that the contractor is not, pursuant to paragraph 6(2), using its best endeavours to ensure courses of treatment are completed.

(3) Where the patient notifies the contractor, whether verbally or in writing, that he does not wish to be referred to the alternative contractor, hospital or other relevant service provider selected by the contractor, the contractor shall, if requested to do so by the patient, use its best endeavours to refer the patient to another suitable contractor, hospital or other relevant service provider under Part 1 of the Act for the provision of the referral service.

(4) The band in which a restoration specified in sub-paragraph (2) falls shall be determined in accordance with the NHS Charges Regulations.

(5) Sub-paragraph (1) shall not apply where—

(a) within the relevant period, a person other than the contractor has provided treatment on the tooth in respect of which the restoration was provided;

(b) the contractor advised the patient at the time of the restoration and it was recorded on the patient record that—

(i) the restoration was intended to be temporary in nature; or

(ii) in its opinion, a different form of restoration was more appropriate to secure oral health but, notwithstanding that advice, the patient nevertheless requested the restoration which was provided;

(c) in the opinion of the contractor, the condition of the tooth in respect of which the restoration was provided is such that the restoration cannot satisfactorily be repaired or replaced and different treatment is now required; or

PART 8

MID-YEAR REVIEW OF ACTIVITY UNDER CONTRACTS

Mid-year reviews

58.—(1) This paragraph and paragraph 59 apply where services are to be provided under the contract from 1st April in any financial year.

(2) In this paragraph and paragraph 59, references to requirements to provide units of dental activity or orthodontic activity are to such requirements under the terms of the contract giving effect to regulation 17 (units of dental activity) or 18 (units of orthodontic activity).

(3) The Primary Care Trust shall, by 31st October in each financial year, determine the number of—

(a) units of dental activity; or

(b) units of orthodontic activity,

that the contractor has provided between 1st April and 30th September of that financial year based on the data provided to it by virtue of paragraph 38.

(4) Where the Primary Care Trust determines under sub-paragraph (3) that the contractor has, between 1st April and 30th September, provided less than 30 per cent of the total number of—

(a) units of dental activity; or

(b) units of orthodontic activity,

that it is required to provide in that financial year, sub-paragraph (5) shall apply.

(5) Where this sub-paragraph applies, the Primary Care Trust may—

(a) notify the contractor that it is concerned about the level of activity provided under the contract in the first half of the financial year, setting out—

(i) the number of units of dental activity or units of orthodontic activity (as the case may be) that it has determined that the contractor has provided; and

(ii) the percentage of the total number of units of dental activity or units of orthodontic activity (as the case may be) required to be provided during the financial year that the number in sub-paragraph (i) represents; and

(b) require in that notification that the contractor participate in a mid-year review of its performance in relation to the contract with the Primary Care Trust.

(6) Where a mid-year review is required by the Primary Care Trust pursuant to sub-paragraph (5), the Primary Care Trust and the contractor shall discuss at that review—

(a) any written evidence the contractor puts forward to demonstrate that it has performed a greater number of units of dental activity or units of orthodontic activity during the first half of the financial year than those notified to it under sub-paragraph (5)(a)(i); and

(b) any reasons that the contractor puts forward for the level of activity in the first half of the financial year.

(7) The Primary Care Trust shall prepare a draft record of the mid-year review for comment by the contractor and, having regard to such comments, shall produce a final written record of the review.

(8) A copy of the final record of the mid-year review shall be sent to the contractor.

Action the Primary Care Trust can take following a mid-year review

59.—(1) Where, following the mid-year review and the sending of the final record of that review to the contractor, the Primary Care Trust, having taken account of any evidence or reasons put forward by the contractor at that review, nevertheless has serious concerns that the contractor is unlikely to provide the number of—

(a) units of dental activity; or

(b) units of orthodontic activity,
that it is required to provide by the end of the financial year, the Primary Care Trust shall be entitled to
take either or both of the steps specified in sub-paragraph (2).

(2) The Primary Care Trust may—

(a) require the contractor to comply with a written plan drawn up by the Primary Care Trust to ensure
that the level of activity during the remainder of the financial year is such that the contractor will
provide the number of units of dental activity or units of orthodontic activity it is required to
provide; or

(b) withhold monies payable under the contract.

(3) The maximum amount that may be withheld pursuant to sub-paragraph (2)(b) is—

(a) the amount that is payable under the contract in respect of the number of units of dental activity or
units of orthodontic activity required to be provided in a financial year, less

(b) the amount that would be payable under the contract as a relevant proportion of that amount if the
contractor provided in the whole of the financial year only twice the number of units of dental
activity or orthodontic activity that he provided between 1st April and 30th September.

(4) Nothing in this paragraph shall prevent the Primary Care Trust and the contractor agreeing to vary
the contract in accordance with paragraph 61 to adjust—

(a) the level of activity to be provided under the contract; or

(b) the monies to be paid by the Primary Care Trust to the contractor under the contract.

(5) Where the Primary Care Trust withholds monies under to paragraph (2), it shall ensure that it pays
the withheld monies to the contractor as soon as possible following the end of the financial year where the
contractor has—

(a) provided the number of units of dental activity or units of orthodontic activity required to be
provided; or

(b) failed to provide that number of units of dental activity or units of orthodontic activity, but that
failure amounts to 4 per cent or less of the total number of units of dental activity or units of
orthodontic activity that ought to have been provided during that financial year (and therefore
regulation 19 applies).

PART 9
VARIATION AND TERMINATION OF CONTRACTS

Variation of a contract: general

60.—(1) Subject to paragraph 31(3), no amendment or variation shall have effect unless it is in writing
and signed by or on behalf of the Primary Care Trust and the contractor.

(2) In addition to the specific provision made in paragraphs 62(6), 63(6) and 75, the Primary Care Trust
may vary the contract without the contractor’s consent where it—

(a) is reasonably satisfied that it is necessary to vary the contract so as to comply with the Act, any
regulations made pursuant to the Act, or any direction given by the Secretary of State pursuant to
the Act; and

(b) notifies the contractor in writing of the wording of the proposed variation and the date upon which
that variation is to take effect,

and, where it is reasonably practicable to do so, the date that the proposed variation is to take effect shall
be not less than 14 days after the date on which the notice under paragraph (b) is served on the contractor.

Variation of a contract: activity under the contract

61.—(1) Where the contractor or the Primary Care Trust is of the opinion that there needs to be a
variation to the number of—

(a) units of dental activity; or
(b) units of orthodontic activity,

to be provided under the contract, sub-paragraphs (2) and (3) shall apply.

(2) The contractor or the Primary Care Trust (as the case may be) shall notify the other party to the contract in writing of its opinion of the need for a variation, specifying in that notice the variation that it considers necessary, together with its reasons.

(3) Following service of the notice referred to in sub-paragraph (2), both parties shall use their best endeavours to communicate and co-operate with each other with a view to determining what (if any) variation should be made to the number of—

(a) units of dental activity; or

(b) units of orthodontic activity,

and any related variations to the contract, including to the monies to be paid to the contractor under the contract, and shall where appropriate effect the variation in accordance with paragraph 60.

 Variation provisions specific to a contract with an individual dental practitioner

62.—(1) If a contractor which is an individual dental practitioner proposes to practise in partnership with one or more persons during the existence of the contract, the contractor shall notify the Primary Care Trust in writing of—

(a) the name of the person or persons with whom it proposes to practise in partnership; and

(b) the date on which the contractor wishes to change its status as a contractor from that of an individual dental practitioner to that of a partnership, which shall be not less than 28 days after the date upon which it has served the notice on the Primary Care Trust pursuant to this sub-paragraph.

(2) A notice under sub-paragraph (1) shall in respect of the person or each of the persons with whom the contractor is proposing to practise in partnership, and also in respect of itself as regards the matters specified in sub-paragraph (c)—

(a) confirm that he is either—

(i) a dental practitioner; or

(ii) a person who satisfies the conditions specified in section 28M(2)(b) of the Act(a);

(b) confirm that he is a person who satisfies the conditions imposed by regulation 4; and

(c) state whether or not it is to be a limited partnership, and if so, who is to be a limited and who is to be a general partner,

and the notice shall be signed by the individual dental practitioner and by the person, or each of the persons (as the case may be), with whom he is proposing to practise in partnership.

(3) The contractor shall ensure that any person who will practise in partnership with it is bound by the contract, whether by virtue of a partnership deed or otherwise.

(4) If the Primary Care Trust is satisfied as to the accuracy of the matters specified in sub-paragraph (2) that are included in the notice, the Primary Care Trust shall give notice in writing to the contractor confirming that the contract shall continue with the partnership entered into by the contractor and its partners, from a date that the Primary Care Trust specifies in that notice.

(5) Where it is reasonably practicable, the date specified by the Primary Care Trust pursuant to sub-paragraph (4) shall be the date requested in the notice served by the contractor pursuant to sub-paragraph (1), or, where that date is not reasonably practicable, the date specified shall be a date after the requested date that is as close to the requested date as is reasonably practicable.

(6) Where a contractor has given notice to the Primary Care Trust pursuant to sub-paragraph (1), the Primary Care Trust—

(a) may vary the contract but only to the extent that it is satisfied is necessary to reflect the change in status of the contractor from an individual dental practitioner to a partnership; and

(a) Section 28M was inserted into the Act by section 175(1) of the 2003 Act.
Variation provisions specific to a contract with two or more individuals practising in partnership

63.—(1) Subject to sub-paragraph (4), where a contractor consists of two or more individuals practising in partnership in the event that the partnership is terminated or dissolved, the contract shall only continue with one of the former partners if that partner is—
   (a) nominated in accordance with sub-paragraph (3); and
   (b) a dental practitioner,
and provided that the requirements in sub-paragraphs (2) and (3) are met.

(2) A contractor shall notify the Primary Care Trust in writing at least 28 days in advance of the date on which the contractor proposes to change its status from that of a partnership to that of an individual dental practitioner pursuant to sub-paragraph (1).

(3) A notice under sub-paragraph (2) shall—
   (a) specify the date on which the contractor proposes to change its status from that of a partnership to that of an individual dental practitioner;
   (b) specify the name of the dental practitioner with whom the contract will continue, which must be one of the partners; and
   (c) be signed by all of the persons who are practising in partnership.

(4) If a partnership is terminated or dissolved because, in a partnership consisting of two individuals practising in partnership, one of the partners has died, sub-paragraphs (1) to (3) shall not apply and—
   (a) the contract shall continue with the individual who has not died only if that individual is a dental practitioner; and
   (b) that individual shall in any event notify the Primary Care Trust in writing as soon as is reasonably practicable of the death of his partner.

(5) When the Primary Care Trust receives a notice pursuant to sub-paragraph (2) or (4)(b), it shall acknowledge in writing receipt of the notice, and in relation to a notice served pursuant to sub-paragraph (2), the Trust shall do so before the date specified pursuant to sub-paragraph (3)(a).

(6) Where a contractor gives notice to the Primary Care Trust pursuant to sub-paragraph (2) or (4)(b), the Primary Care Trust may vary the contract but only to the extent that it is satisfied is necessary to reflect the change in status of the contractor from a partnership to an individual dental practitioner.

(7) If the Primary Care Trust varies the contract pursuant to sub-paragraph (6), it shall notify the contractor in writing of the wording of the proposed variation and the date upon which that variation is to take effect.

Termination by agreement

64. The Primary Care Trust and the contractor may agree in writing to terminate the contract, and if the parties so agree, they shall agree the date upon which that termination should take effect and any further terms upon which the contract should be terminated.

Termination on the death of an individual dental practitioner

65.—(1) Where the contract is with an individual dental practitioner and that practitioner dies, the contract shall terminate at the end of the period of seven days after the date of his death unless, before the end of that period—
   (a) subject to sub-paragraph (2), the Primary Care Trust has agreed in writing with the contractor’s personal representatives that the contract should continue for a further period, not exceeding three months after the end of the period of seven days; and
(b) the contractor’s personal representatives have confirmed in writing to the Primary Care Trust that they are employing or engaging one or more dental practitioners to assist in the provision of dental services under the contract throughout the period for which it continues.

(2) Where the Primary Care Trust is of the opinion that another contractor may wish to enter into a contract in respect of the mandatory services which were provided by the deceased dental practitioner, the three month period referred to in sub-paragraph (1)(a) may be extended by a period not exceeding six months as may be agreed.

(3) Sub-paragraph (1) does not affect any other rights to terminate the agreement which the Primary Care Trust may have under paragraphs 69 to 74.

**Termination by the contractor**

66.—(1) A contractor may terminate the contract by serving notice in writing on the Primary Care Trust at any time.

(2) Where a contractor serves notice pursuant to sub-paragraph (1), the contract shall terminate on a date three months after the date on which the notice is served (“the termination date”), save that if the termination date is not the last calendar day of a month, the contract shall instead terminate on the last calendar day of the month in which the termination date falls.

(3) This paragraph and paragraph 67 are without prejudice to any other rights to terminate the contract that the contractor may have.

**Late payment notices**

67.—(1) The contractor may give notice in writing (a “late payment notice”) to the Primary Care Trust if the Trust has failed to make any payments due to the contractor in accordance with a term of the contract that has the effect specified in regulation 21 (finance), and the contractor shall specify in the late payment notice the payments that the Trust has failed to make in accordance with that regulation.

(2) Subject to sub-paragraph (3), the contractor may, at least 28 days after having served a late payment notice, terminate the contract by a further written notice if the Primary Care Trust has still failed to make the payments that were due to the contractor and that were specified in the late payment notice served on the Primary Care Trust pursuant to sub-paragraph (1).

(3) If, following receipt of a late payment notice, the Primary Care Trust refers the matter to the NHS dispute resolution procedure within 28 days of the date upon which it is served with the late payment notice, and it notifies the contractor in writing that it has done so within that period of time, the contractor may not terminate the contract pursuant to sub-paragraph (2) until—

   (a) there has been a determination of the dispute pursuant to paragraph 56 and that determination permits the contractor to terminate the contract; or
   
   (b) the Primary Care Trust ceases to pursue the NHS dispute resolution procedure, whichever is the sooner.

**Termination by the Primary Care Trust: general**

68. The Primary Care Trust may only terminate the contract in accordance with the provisions in this Part.

**Termination by the Primary Care Trust: no longer eligible to enter into and breach of conditions of the contract**

69.—(1) Subject to sub-paragraph (2), the Primary Care Trust shall serve notice in writing on the contractor terminating the contract forthwith if—

   (a) the contract was entered into pursuant to section 28M(1)(a) of the Act (persons eligible to enter into GDS contracts); and
   
   (b) the contractor is no longer a dental practitioner.
(2) Where a contractor ceases to be a dental practitioner by virtue of a suspension specified in sub-
paragraph (6), sub-paragraph (1) shall not apply unless—

(a) the contractor is unable to satisfy the Primary Care Trust that it has in place adequate
arrangements for the provision of dental services under the contract for so long as the suspension
continues; or

(b) the Primary Care Trust is satisfied that the circumstances of the suspension are such that if the
contract is not terminated forthwith—

(i) the safety of the contractor’s patients is at serious risk; or

(ii) the Primary Care Trust is at risk of material financial loss.

(3) Except in a case to which paragraph 63(4) applies, where the contractor is two or more persons
practising in partnership and the condition prescribed in section 28M(2)(a) of the Act is no longer satisfied,
the Primary Care Trust shall—

(a) serve notice in writing on the contractor terminating the contract forthwith; or

(b) serve notice in writing on the contractor confirming that the Primary Care Trust will allow the
contract to continue for a period specified by the Primary Care Trust in accordance with sub-
paragraph (4) (the “interim period”) if the Primary Care Trust is satisfied that the contractor has in
place adequate arrangements for the provision of dental services for the interim period.

(4) The period specified by the Primary Care Trust under sub-paragraph (3)(b) shall not exceed—

(a) six months; or

(b) in a case where the failure of the contractor to continue to satisfy the condition in section
28M(2)(a) of the Act is the result of a suspension referred to in sub-paragraph (6), the period for
which that suspension continues.

(5) Where the contract was entered into pursuant to section 28M(1)(b) of the Act, but the contractor
ceases to be a dental corporation, the Primary Care Trust shall serve notice in writing on the contractor
terminating the contract forthwith.

(6) The suspensions referred to in sub-paragraphs (2) and (4)(b) are—

(a) until the coming into force of article 18 of the Dentists Act Order (substitution of sections 27 and
28)—

(i) suspension by the Health Committee under section 28 of the Dentists Act (powers of the
Health Committee);

(ii) suspension by the Professional Conduct Committee or the Health Committee under section
30(3) of that Act (orders for immediate suspension); or

(iii) suspension by the Preliminary Proceedings Committee under section 32 of that Act (orders
for interim suspension); or

(b) from the coming into force of article 18 of the Dentists Act Order for all purposes—

(i) suspension by the Health Committee, the Professional Performance Committee or the
Professional Conduct Committee under section 27B or 27C of the Dentists Act, except under
section 27C(1)(d) (indefinite suspension), following a relevant determination;

(ii) suspension by the Health Committee, the Professional Performance Committee or the
Professional Conduct Committee under section 30(1) of that Act (orders for immediate
suspension); or

(iii) suspension by the Health Committee, the Professional Performance Committee, the
Professional Conduct Committee or the Interim Orders Committee under section 32 of that
Act (interim orders).

(7) For the purposes of sub-paragraph (6)(b)(i), a “relevant determination” is a determination that a
person’s fitness to practise is impaired based solely on the ground mentioned in—

(a) section 27(2)(b) of the Dentists Act (deficient professional performance); or

(b) section 27(2)(c) of that Act (adverse physical or mental health).
Termination by the Primary Care Trust for the provision of untrue etc. information

70. The Primary Care Trust may serve notice in writing on the contractor terminating the contract forthwith, or from such date as may be specified in the notice if, after the contract has been entered into, it comes to the attention of the Primary Care Trust that written information provided to the Primary Care Trust by the contractor—

(a) before the contract was entered into; or

(b) pursuant to paragraph 42(2),

in relation to the conditions set out in regulation 4 or 5 (and compliance with those conditions) was, when given, untrue or inaccurate in a material respect.

Termination by the Primary Care Trust on grounds of suitability etc.

(d) he or it is removed from, or refused admission to, a primary care list by reason of inefficiency, fraud or unsuitability (within the meaning of section 49F(2), (3) and (4) of the Act(a) respectively) unless his name has subsequently been included in such a list;

(e) he has been convicted in the United Kingdom of—

(i) murder; or

   (b) if, during the period of time specified in paragraph (a), the person concerned brings proceedings in any competent tribunal or court in respect of his dismissal, until proceedings before that tribunal or court are concluded,

and the Primary Care Trust may only terminate the contract at the end of the period specified in paragraph (b) if there is no finding of unfair dismissal at the end of those proceedings.

(5) A Primary Care Trust shall not terminate the contract pursuant to sub-paragraph (2)(f) where the Primary Care Trust is satisfied that the conviction does not make the person unsuitable to be—
   (a) a contractor;
   (b) a partner, in the case of a contract with two or more individuals practising in partnership; or
   (c) in the case of a contract with a dental corporation, a director, chief executive or secretary of the corporation.

Termination by the Primary Care Trust: patient safety and material financial loss

72. The Primary Care Trust may serve notice in writing on the contractor terminating the contract forthwith or with effect from such date as may be specified in the notice if—
   (a) the contractor has breached the contract and as a result of that breach, the safety of the contractor’s patients is at serious risk if the contract is not terminated; or
   (b) the contractor’s financial situation is such that the Primary Care Trust considers that the Primary Care Trust is at risk of material financial loss.

Termination by the Primary Care Trust: remedial notices and breach notices

73.—(1) Where a contractor has breached the contract other than as specified in paragraphs 70 to 72 and the breach is capable of remedy, the Primary Care Trust shall, before taking any action it is otherwise entitled to take by virtue of the contract, serve a notice on the contractor requiring it to remedy the breach (“remedial notice”).

(2) A remedial notice shall specify—
   (a) details of the breach;
   (b) the steps the contractor must take to the satisfaction of the Primary Care Trust in order to remedy the breach; and
   (c) the period during which the steps must be taken (“the notice period”).

(3) The notice period shall, unless the Primary Care Trust is satisfied that a shorter period is necessary to—
   (a) protect the safety of the contractor’s patients; or
   (b) protect itself from material financial loss,
be no less than 28 days from the date that notice is given.

(4) Where a Primary Care Trust is satisfied that the contractor has not taken the required steps to remedy the breach by the end of the notice period, the Primary Care Trust may terminate the contract with effect from such date as the Primary Care Trust may specify in a further notice to the contractor.

(5) Where a contractor has breached the contract other than as specified in paragraphs 70 to 72 and the breach is not capable of remedy, the Primary Care Trust may serve notice on the contractor requiring the contractor not to repeat the breach (“breach notice”).

(6) If, following a breach notice or a remedial notice, the contractor—
   (a) repeats the breach that was the subject of the breach notice or the remedial notice; or
(b) otherwise breaches the contract resulting in either a remedial notice or a breach notice, the Primary Care Trust may serve notice on the contractor terminating the contract with effect from such date as may be specified in that notice.

(7) The Primary Care Trust shall not exercise its right to terminate the contract under sub-paragraph (6) unless it is satisfied that the cumulative effect of the breaches is such that the Primary Care Trust considers that to allow the contract to continue would be prejudicial to the efficiency of the services to be provided under the contract.

(8) If the contractor is in breach of any obligation and a breach notice or a remedial notice in respect of that breach has been given to the contractor, the Primary Care Trust may withhold or deduct monies which would otherwise be payable under the contract in respect of that obligation which is the subject of the breach.

Termination by the Primary Care Trust: additional provisions specific to contracts with two or more individuals practising in partnership and dental corporations

74.—(1) Where the contractor is a dental corporation, if the Primary Care Trust becomes aware that the contractor is carrying on any business which the Primary Care Trust considers to be detrimental to the contractor’s performance of its obligations under the contract—

(a) the Primary Care Trust shall be entitled to give notice to the contractor requiring that it ceases carrying on that business before the end of a period of not less than 28 days beginning on the day on which the notice is given ("the notice period"); and

(b) if the contractor has not satisfied the Primary Care Trust that it has ceased carrying on that business by the end of the notice period, the Primary Care Trust may, by a further written notice, terminate the contract forthwith or from such date as may be specified in the notice.

(2) Where the contractor is a dental corporation and on or after the coming into force for all purposes of article 39 of the Dentists Act Order during the existence of the contract—

(a) the majority of the directors of the dental corporation cease to be either dental practitioners or dental care professionals;

(b) the dental corporation has been convicted of an offence under section 43(1) of the Dentists Act(a) (directors of bodies corporate); or

(c) the dental corporation, or a director or former director of that corporation, has had a financial penalty imposed on it or him by the General Dental Council pursuant to section 43B (financial penalties in relation to bodies corporate) or 44 (further financial penalties on bodies corporate) of the Dentists Act(b),

the Primary Care Trust may, by written notice, terminate the contract if it considers that as a consequence the dental corporation is no longer suitable to be a contractor.

(3) Where the contractor is two or more persons practising in partnership, the Primary Care Trust shall be entitled to terminate the contract by notice in writing on such date as may be specified in that notice where one or more partners have left the practice during the existence of the contract if, in its reasonable opinion, the Primary Care Trust considers that the change in membership of the partnership is likely to have a serious adverse impact on the ability of the contractor or the Primary Care Trust to perform its obligations under the contract.

(4) A notice given to the contractor pursuant to sub-paragraph (3) shall specify—

(a) the date upon which the contract is to be terminated; and

(b) the Primary Care Trust’s reasons for considering that the change in the membership of the partnership is likely to have a serious adverse impact on the ability of the contractor or the Primary Care Trust to perform its obligations under the contract.

(a) Section 43 of the Dentists Act is substituted by the Dentists Act Amendment Order 2005, article 39.

(b) Section 43B was inserted into, and section 44 is substituted by, the Dentists Act Amendment Order, article 39.
Contract sanctions

75.—(1) In this paragraph and paragraph 76, “contract sanction” means—
   (a) termination of specified reciprocal obligations under the contract;
   (b) suspension of specified reciprocal obligations under the contract for a period of up to six months; or
   (c) withholding or deducting monies otherwise payable under the contract.

(2) Where the Primary Care Trust is entitled to terminate the contract pursuant to paragraph 70, 71, 72, 73(4), 73(6) or 74, it may instead impose any of the contract sanctions if the Primary Care Trust is reasonably satisfied that the contract sanction to be imposed is appropriate and proportionate to the circumstances giving rise to the Primary Care Trust’s entitlement to terminate the contract.

(3) The Primary Care Trust shall not, under sub-paragraph (2), be entitled to impose any contract sanction that has the effect of terminating or suspending any obligation to provide, or any obligation that relates to, mandatory services.

(4) If the Primary Care Trust decides to impose a contract sanction, it must notify the contractor of the contract sanction that it proposes to impose, the date upon which that sanction will be imposed and provide in that notice an explanation of the effect of the imposition of that sanction.

(5) Subject to paragraph 76, the Primary Care Trust shall not impose the contract sanction until at least 28 days after it has served notice on the contractor pursuant to sub-paragraph (4) unless the Primary Care Trust is satisfied that it is necessary to do so in order to—
   (a) protect the safety of the contractor’s patients; or
   (b) protect itself from material financial loss.

(6) Where the Primary Care Trust imposes a contract sanction, the Primary Care Trust shall be entitled to charge the contractor the reasonable costs of additional administration that the Primary Care Trust has incurred in order to impose, or as a result of imposing, the contract sanction.

Contract sanctions and the NHS dispute resolution procedure

76.—(1) If there is a dispute between the Primary Care Trust and the contractor in relation to a contract sanction that the Primary Care Trust is proposing to impose, the Primary Care Trust shall not, subject to sub-paragraph (4), impose the proposed contract sanction except in the circumstances specified in sub-paragraph (2)(a).

(2) If the contractor refers the dispute relating to the contract sanction to the NHS dispute resolution procedure within 28 days beginning on the date on which the Primary Care Trust served notice on the contractor pursuant to sub-paragraph (4) (or such longer period as may be agreed in writing with the Primary Care Trust), and notifies the Primary Care Trust in writing that it has done so, the Primary Care Trust shall not impose the contract sanction unless—
   (a) there has been a determination of the dispute pursuant to paragraph 56 and that determination permits the Primary Care Trust to impose the contract sanction; or
   (b) the contractor ceases to pursue the NHS dispute resolution procedure,
whichever is the sooner.

(3) If the contractor does not invoke the NHS dispute resolution procedure within the time specified in sub-paragraph (2), the Primary Care Trust shall be entitled to impose the contract sanction forthwith.

(4) If the Primary Care Trust is satisfied that it is necessary to impose the contract sanction before the NHS dispute resolution procedure is concluded in order to—
   (a) protect the safety of the contractor’s patients; or
   (b) protect itself from material financial loss,
the Primary Care Trust shall be entitled to impose the contract sanction forthwith, pending the outcome of that procedure.
Termination and the NHS dispute resolution procedure

77. — (1) Where the Primary Care Trust is entitled to serve written notice on the contractor terminating the contract pursuant to paragraph 70, 71, 72, 73(4), 73(6) or 74, the Primary Care Trust shall, in the notice served on the contractor pursuant to those provisions, specify a date on which the contract terminates that is not less than 28 days after the date on which the Primary Care Trust has served that notice on the contractor unless sub-paragraph (2) applies.

(2) This sub-paragraph applies if the Primary Care Trust is satisfied that a period less than 28 days is necessary in order to—

(a) protect the safety of the contractor’s patients; or

(b) protect itself from material financial loss.

(3) In a case falling with sub-paragraph (1), where the exceptions in sub-paragraph (2) do not apply, where the contractor invokes the NHS dispute resolution procedure before the end of the period of notice referred to in sub-paragraph (1), and it notifies the Primary Care Trust in writing that it has done so, the contract shall not terminate at the end of the notice period but instead shall only terminate in the circumstances specified in sub-paragraph (4).

(4) The contract shall only terminate if and when—

(a) there has been a determination of the dispute pursuant to paragraph 56 and that determination permits the Primary Care Trust to terminate the contract; or

(b) the contractor ceases to pursue the NHS dispute resolution procedure, whichever is the sooner.

(5) If the Primary Care Trust is satisfied that it is necessary to terminate the contract before the NHS dispute resolution procedure is concluded in order to—

(a) protect the safety of the contractor’s patients; or

(b) protect itself from material financial loss,
